2019 PROSPECTUS

The Organising Committee invites entries from New Zealand and overseas to be judged and displayed at the 16th New Zealand National Philatelic Literature Exhibition

Background

Specialised philatelic literature exhibitions have been held in New Zealand every second year since 1989. They have drawn worldwide support and have served to introduce collectors, to literature that will develop their knowledge and interests.

Following the success of the 15th exhibition in 2017, the Christchurch (NZ) Philatelic Society Inc has again accepted an invitation to organise the 16th New Zealand National Philatelic Literature Exhibition 2019 (16th PLE) and members of the Society form the Organising Committee. The Society is home to an extensive philatelic library in New Zealand, housed in our Philatelic Centre. Entries to the past exhibitions are accessible to New Zealand Philatelic Federation (NZPF) affiliated society members, and are also used by philatelic exhibition judges. This practice will continue.

The Organising Committee for this exhibition also welcomes entries of electronic media.

Special arrangements for 2019

The 2020 FIAP International Philatelic Exhibition is scheduled to be in Auckland 19th to 22nd March, 2020 and it has a literature class. For those who are in the FIAP region (Inter Asia) and wish to enter both exhibitions we will forward your entries from Christchurch to Auckland, but you must separately enter with the organisers of the 2020 event and advise us that you wish to have the publications forwarded. It is intended that some of the Christchurch (NZ) Philatelic Society team will travel to Auckland and be involved in the literature display area of the 2020 FIAP International Exhibition.
